

Waste Disclosure

Minnesota Statute 115A.9302, requires that the following annual notice be given to Citizens who receive waste collection services:

“You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability.”

All of the waste collected by Mike’s Roll-Offs is transported to the following facilities:

Demolition Debris Waste Disposal:

Dem-Con Landfill, LLC
