

Minnesota Solid Waste Disclosure

Minnesota Statute 115A.9302 requires that the following notice be given to Citizens who receive waste collection services:

“You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability. “

The primary solid waste disposal facilities used by Mikes Roll Offs Inc are:

Spruce Ridge Landfill
12755 137th St Glencoe MN 55336
